PLACES TO VISIT

Corbett National Park has been a abode for tourists and wildlife lovers for a continued time. Tourism is accustomed in called areas of Corbett Tiger Reserve so that humans get an befalling to see its baroque mural and the assorted wildlife active here.

If you love tigers, wild life then corebtt national park is the best destination. Named after great hunter 'Jim Corbett' Jim Corbett National Park is the oldest national park of India. Corbett national park is nenowned wildlife sanctuary of the world for tigher convservation.

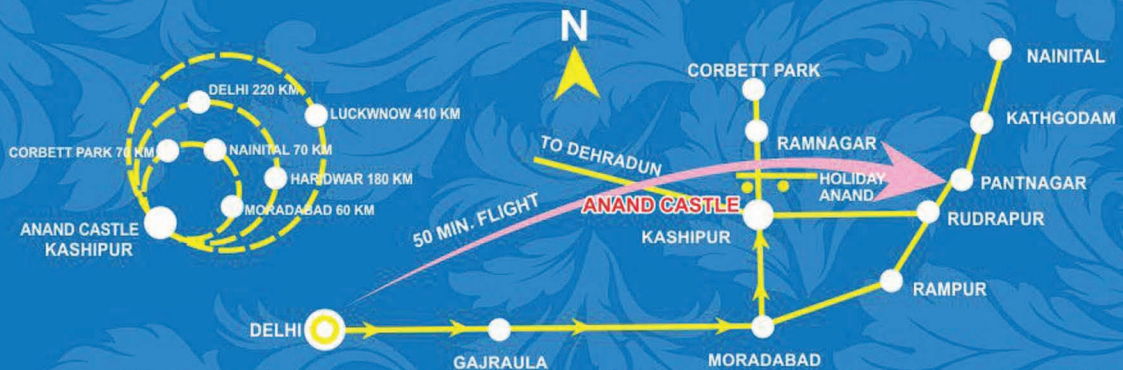

Situated in the foothills of himalays, corbett national park is the perfect destination for adventure enthusiast and wildlife adventure lovers.

Drona Sagar is believed to be associated with Guru Dronacharya, the legendary warrior and teacher in the Mahabharata. This place was once very auspicious and revered as the last pilgrimage spot after the Gangotri, Yamunotri, Badrinath and Kedarnath Dhams. The 'Skand Puran' states that the water of this place is as holy as that of the sacred river Ganga.

Nainital is located in the Kumaon hills and the weather is very pleasant throughout the year except during winter months. The temperature is not very high at any time but in winters it becomes very cold. The climate of Nainital is regulated by the lake here which showers rain almost every afternoon. The best time visit the place is between April to June and then again in September October. The months of January to March are marked by the snowfall which is for a very short time. It is advisable that contact any local person before going to Nainital to watch snowfall.
